CHARACTERS

◆ HARU
FEMALE, 25
MARRIED SENSEI HALF A
YEAR AGO ON HER UNCLE'S
RECOMMENDATION.

◆ SENSEI
FEMALE, 31
WEARS MEN'S CLOTHING
BUT SHE'S A GIRL.
NOVELIST.

◆ YURI
FEMALE, 25
HARU'S FRIEND FROM HER
GIRLS' SCHOOL DAYS.

This story
takes place
in a country
far, far away.

Haru, I heard
you married
a novelist?

Yes.

What made
their inhabitants
unique were the
animal ears that
grew from their
heads,

and their
acceptance
of same-sex
marriages.

Huhh?

ARE
YOU AN
IDIOT?!

Sensei's
not crude
like that!

Stop that,
Yuri-chan!

If you're
newlyweds,
there are
more things
you should
be doing!

Please,
calm down!

Once you
get back,
you should
at least try
a kiss!

Sensei's
an adult,
too.

Are you
still in
middle
school?

You've always
been innocent,
even during your
school days

Haru

What?

Sheesh,
Yuri-chan...

Anyway,
just give
her a kiss!

Haru-san.

Welcome back.

Oh,
yes.

Are you
free for the
evening?

Was your
friend doing
well?

Yeah! She's
the same
as ever.

She even
bought
me a
souvenir.

This is
the business
district, so it's
noisy even
at night.

There are so
many people
walking around
this late in
the day.

There's
not enough
room to sit
anywhere...

The
theater's
crowded too...
This is
amazing!

She's
amazing,
after all.

There must be
plenty of people
who have been
moved by Sensei's
stories.

Am I suited
for being
Sensei's wife?

Hahaha

Thank you
very much!

That was
a really good
love story!

Hey!

Isn't she
beautiful?

What's
wrong?
Haru-
san?

N-Nothing!

?

But she's
walking with
someone.

That's
too bad

She is
Maybe she's
an actor?

A girl
wearing
men's
clothes!

Were you
worrying
about that all
throughout
the play?

I'm sorry...

Giggie

Pft!

You were
fidgeting.

You're
too easy
to read

Wah!!

H-how
did you
know?

honestly
I was about
to refuse

When I first
heard about
the marriage
proposal.

So
embarrassed
I could
die...

I thought
that

I'm not as
great of a
person as you
think I am.

a weak
person like
me should
live alone.

But it's
different now.
I feel so warm
when I'm
together
with you.

I'm glad we
got married.
That's what
I think.

Thank
you for
becoming
my wife.

Working as
a novelist,

writer's
block hits
often.

Well,
it's work,
so I write without
feeling conscious
about it, but...

For your next
work, could you
try something
a little more
suggestive?"

was what
they said
to me

Hm, how
should I do
this...

Editor

Like

A shy heroine
would be
great

I made tea,
so do you
want to take
a break?

I'm coming in,
Sensei.

Thank
you very
much.

Huh?
How did
you know?

Here
Are
you struck,
Sensei?

How
embarrassing.
I see.

Ahaha

rest your
chin on your
hands.

When you're
stressed,
you always

くす

I feel
like I can
write...

This is
shyness...

I see...

◆ THANK YOU VERY MUCH FOR BUYING LEGALLY MARRIED YURI COUPLE #2.
IT ENDED UP BEING A BOOK JUST ABOUT THEM BEING LOVEY-DOVEY,
BUT I HOPE YOU ENJOYED IT.

◆ "IT'D BE GREAT IF I COULD DRAW SENSEI'S PAST IN THE THIRD BOOK.",
IS WHAT I'M THINKING. I'LL BE REALLY HAPPY IF YOU READ IT
WHEN I PUBLISH!

•do not continue if you dislike yuri.

My wife
is an easily
embarrassed
person

But we did
can't get rid
of the still
atmosphere

It's been
six months
since we
lost the
house

Maybe
the house
was a mistake
but not as
retailer

Huhh?

ARE
YOU AN
IDIOT?!

Seems
not made
for them

Stop that
tut-tut!

If you
realize
there are
more things
you should
be doing

tut-
tut!

Just
do it
already

Please
don't do it!

Are you
still in
middle
school?

Even you
get that
you should
at least try
a little

Seems
a little
too

What?!

End

Omigod

As they can.

What?
Girls can
do those
sorts of
things
with each
other?

Thank you for reading!
